

Our Business Model

We are committed to embedding sustainability at the core of our business. This means looking at Brewing a Better World in every one of our activities – from sourcing, producing, marketing and selling our products all the way to how they are consumed, and how we can reuse and recycle waste.

Agriculture

We brew beer and make cider from natural ingredients. We support the sustainable cultivation of agricultural raw materials to brew our drinks. Our suppliers comply with the HEINEKEN Supplier Code, which details our commitment and enforcement of ethical business conduct, human rights, and environment.

Brewing

At our Sungei Way Brewery in Petaling Jaya, Selangor, the highest quality and safety standards are adhered to in the brewing process. We are committed to improving energy and water efficiencies, including increasing our use of renewables.

Employees

We employ over 600 full-time employees and we are committed to developing our people. At HEINEKEN Malaysia, we always aim to dream big and uncage our courage to inspire with our world class brands, guided by a purpose to brew a sustainable future for our people, business and planet.

Packaging

Our beers and ciders are served in bottles, cans and kegs. We aim for our packaging design to stand out from the crowd while we also strive to reduce its environmental footprint by innovating the materials we use as well as improve recycling and reusing.

Our Business Model

Distribution

We work to optimise efficiencies throughout our distribution networks across Malaysia. Put Safety First is our number one behaviour and we continually engage our employees and distributors to stay safe on the road.

Customers

Thousands of businesses rely on selling our products for a source of revenue. We promote awareness of responsible serving with the aim of ensuring our products are enjoyed responsibly. Through our quality programmes, we also improve product knowledge and empower our customers to promote appreciation of brand heritage, product taste, and service etiquette.

Consumers

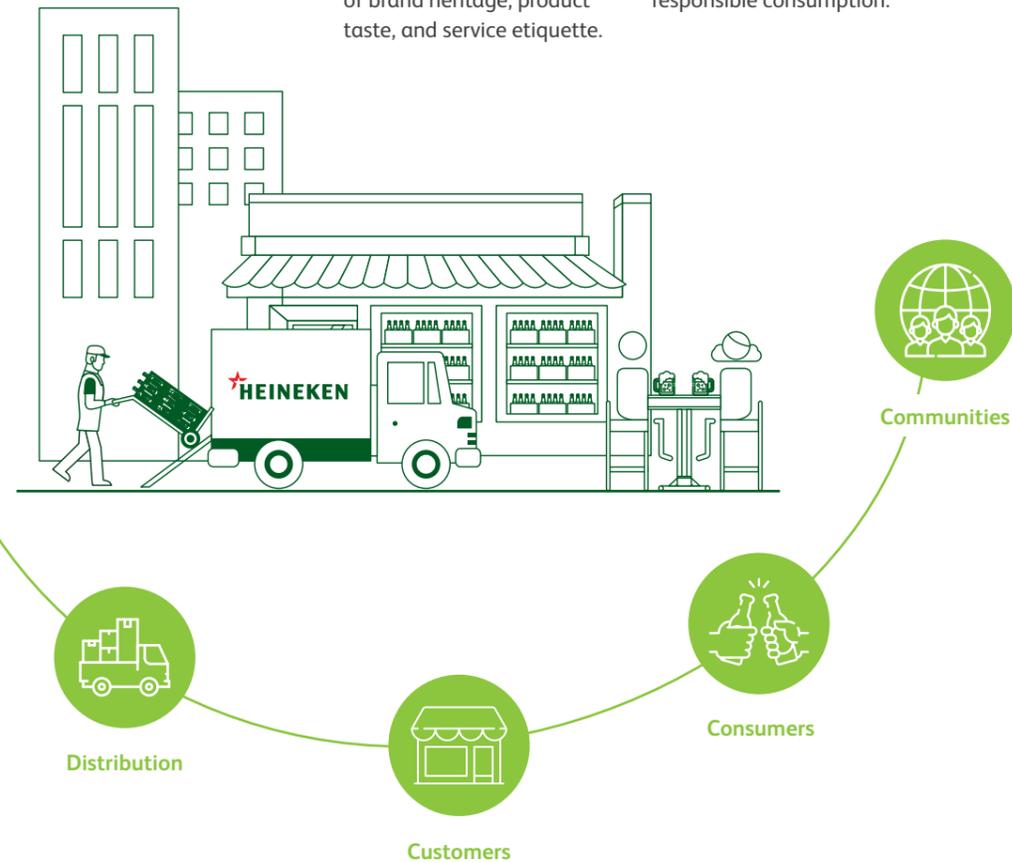

Millions of consumers enjoy the great tasting beers and ciders brewed by HEINEKEN Malaysia. We strictly market our products to those who are non-Muslims and aged 21 and above only. We are committed to advocate responsible consumption and dedicate 10% of the Heineken® brand's media spend annually to promote responsible consumption.

Communities

We believe in growing with our surrounding communities. Through our corporate social responsibility arm, SPARK Foundation, we reach out to communities with projects that focus on three key areas – Environment, Education and Partnerships.

United Nations Sustainable Development Goals
